SUCCESS IS THE HARD FORTUNE
THAT COMES FROM ASPIRATION,
INSPIRATION, PERSPIRATION
AND INSPIRATION.

BEST REGARDS,

'I love you like I love a day
when everything goes right
I love you like I love to go
and watch the stars at night
I love you like I love the rain
on a hot, sunny day
I love you like I love the birds
until a heart is torn
I love you just a little less
when I'm not with you
I love you like I love perfection
I love you like I love myself
I love you like I love life

"But even though I
Love You
I'll miss you the
way you brought me
to life"

cutest sash!

HOPE..
 for your day,
 Carries sunny
 thoughts, yours
 away, with
 laughter and
 celebration,
 leads your
 direction.

May your
 birthday today
 Be as sweet as
 honey.

- Baccio & Aunt.

A decorative heart-shaped card with a white flower and a small tag. The card is made of a light-colored, textured material, possibly wood or paper, and is set against a dark, rustic wooden background. A small white tag with the text "A life lived in love will never be dull" is attached to the heart. The names "Sangita" and "Rajeev" are written vertically on the left and right sides of the image, respectively.

*"If my love
were as common
as the air,
I would not
give it
any more
value than the air.
I would not
love it
worth the picking
out of my nose."
- Shakespeare*
